

Are you certified as a Firefighter or EMT??

Warrenton Volunteer Fire Company is looking for YOU!

Warrenton Volunteer Fire Company is always looking for energetic, motivated and CERTIFIED volunteers to join our team!

Warrenton Volunteer Fire Company is located at 167 West Shirley Avenue in Warrenton, Virginia and has proudly served the citizens of the town of Warrenton and County of Fauquier since 1924. We are dedicated to the preservation of life and property through education, quality emergency medical care, effective fire suppression and hazard mitigation.

We are one of the busiest stations in the county, responding to over 4,500 fire and emergency medical related calls annually. Dispatches range from relatively minor emergencies such as fire alarms or slips, falls, cardiac arrests, auto accidents to large scale incidents such as, hazardous material releases, structural fires, vehicular fires, train accidents, and technical rescue emergencies.

We look forward to having you join our family at Warrenton Volunteer Fire Company. All it takes is commitment and a willingness to help.

Whether you are interested in applying for membership or just curious, we invite you to drop by the station for a tour of the building and equipment and for a chance to meet some of our members. We look forward to meeting you!

Warrenton Volunteer Fire Company is always accepting applications for qualified EMT's and firefighters.

Please fill out our online interest card via our website:

<http://warrentonfire.org/recruitment/join/>

You will be contacted within 48 hours referencing the application process.

****Please note non-certified applicants are processed during our semi-annual recruiting. This semi-annual process is aligned with Fauquier County's training program.***
